Northwest Electric Motor Company is a family-owned and operated business. Located in Chicagoland and providing a full range of expert electric motor services. In 2015, we purchased **Parts and Electric Motors**, a global motor and parts distributor.

Our desire is to provide exceptional customer service, competitive pricing and technical expertise to each and every customer. Our sales and service teams have a combined 150+ years of experience in industrial motor service and strive to provide fast, friendly, and courteous customer support.

If you have an emergency, you can reach us at our 24-hour emergency service number:

(847) 671-4400
